

JACKIE JOHNSON MEMORIAL BADGED UMPIRES HONOUR BOARD

This Honour Board has been created in memory of Jackie Johnson, a Life Member and past President of the club who sadly, passed away in 2016.

Jackie was an Illawarra Representative Player, an Illawarra Representative Coach and a Dapto Club Coach for over 40 years and was responsible for putting together the most talented Premier League Team ever assembled to win 3 premierships, but this Honour Board is to remember her passion – Umpiring, and more importantly, the development of Badged Umpires from within the ranks of the club's membership.

No person has done more for the development of badged umpires within the Dapto Club or even Illawarra Netball than Jackie.
